TRANSMITTAL OF FORMAL DRAWINGS

In response to the Notice of Allowability mailed 7/23/2008, applicant submits

herewith for approval one (1) sheet of formal replacement drawings (sheet 31/33) to be substituted for the previously filed drawing sheet 31/33 of record.

It is noted that the Notice of Allowability does not indicate that replacement drawings are required, however, the Amendment filed 4/7/2008 included hand-written changes to Figure 41, sheet 31/33.

Although not specifically required by the Notice of Allowability, Applicant submits the enclosed replacement formal drawing sheet in order to satisfy the ordinary requirements of 37 CFR 1.84. The only changes made to the drawing were to comply with the physical requirements of 37 CFR 1.84, i.e. line quality and uniformity, margins, scale, shading, etc.

Consideration and entry of the enclosed replacement sheet is respectfully requested.

Respectfully submitted:
